Dear Mr. McAllister,

Over the last 7 years you have visited many of our mutual customers through the CPG program. You have always provided guidance and leadership to help both the customer and your CPG partners.

You have been a blessing to our organization in so many ways we can not thank you enough.

As well as a great ear you have been an ombudsman for our customers. We feel our market share and market penetration has grown in the time you have been leading CPG.

Please feel free to have any of your new customers with questions feel free to contact us anytime with questions.

We look forward to your continued leadership.

Very Truly,

Richard Post
President
